Members of the Human Services Committee,

I am **OPPOSED to HB No. 6618** (LCO No. 3839) AN ACT CONCERNING MEDICAL ASSISTANCE FOR CERTAIN PERSONS RECEIVING ABORTION CARE AND RELATED SERVICES IN CONNECTICUT.

I am opposed to my tax dollars being used to fund non-resident/out-of-state abortion services. We need to use our tax dollars to care for our own residents, not the 49 other States. This proposal is totally ludicrous!

I urge you to **OPPOSE** HB No. 6618.

Sincerely,
Roy D. Downey
